

# Amazing Science!

## An After School Science Class

**10 weeks of Hands-on Science Fun!**  
**For Grades 1-3**

### **Biology! Chemistry! Physics!**

This is a hands-on, fun science class designed to enrich current class lessons and to foster an interest in science. We'll focus on learning science using every day things one can find at home, recycled material, and science equipment. We'll have 1-4 stations set up and focus on a specific scientific principle that week. Students will work in groups of 2-4. Older students will mentor younger ones when it is appropriate.

### **WHEN AND WHERE:**

**Grades 1-3:** Meet on **Thursdays from 2:30-3:45 pm** in the Science Room. Class starts **March 25 and goes through June 3rd**--No Class on April 15th due to Spring Break.

**Instructor:** Carmen Bryant is a scientist and a parent with two children attending Huff Elementary School in MVWSD. She worked as a cell biologist in the biotechnology industry for 13 years. For the past 9 years, she has worked as a project management consultant for Bay Area biotech companies. She is a California State credentialed teacher who works as a substitute teacher in the MVWSD. Carmen received a B.S. in Marine Biology from San Jose State University and a M.B.A. from Santa Clara University.

## COST:

A 10 week session costs \$225.00 and includes all supplies and folders.

Refunds can be requested up to the 2nd class meeting. After that time, no refunds are issued. Parents are responsible for prompt student pick up at the end of each class.

**Registration and Payment:** Payment can be made by check or by PayPal. Please make a check out to Bryant Consulting Inc. and mail the check to:

275 Chatham Way  
Mountain View CA 94040

If you want to use PayPal, send an email to Carmen at [BryantNarog@aol.com](mailto:BryantNarog@aol.com) and you will be sent a PayPal invoice.

Each class needs a minimum of 12 students to run and has a maximum capacity of 20 students. Please register as early as possible since space is limited. Please email completed forms to [BryantNarog@aol.com](mailto:BryantNarog@aol.com) by January 8th.
